- IRINN a division of NIXI is a not-for-profit organisation incorporated under Indian law.
- IRINN now maintains a publicly accessible Whois database that is considered by the global Internet addressing community to be the authoritative database for the registration of numeric Internet address resources to which IRINN has been delegated authority (directly or indirectly) by the Asia Pacific network Information Centre (APNIC), and for database objects related to those resources.
- The Organisation is requesting that IRINN make changes to certain database registration objects and/or issue to the Organisation new passwords relating to the maintenance of certain objects.
- In support of the Organisation's request, the Organisation provides to IRINN the documentation listed in the Schedule to this agreement and any other documentation sought by IRINN in the course of

evaluating the request.

Terms and conditions

The Organisation requests IRINN to change certain database registration objects and/or issue new passwords relating to the maintenance of certain objects (the “request”). The database registration objects and requested actions are described in Declarations provided with this agreement.

In consideration of IRINN considering the request, the Organisation agrees to the following terms and conditions.

1. Warranty of all information provided

The Organisation warrants that all information provided in connection with this request is true, accurate, and complete to the best knowledge and investigations of the Organisation.

The Organisation agrees that if any of the information provided in connection with this request is subsequently found by IRINN to be substantially false or misleading, then IRINN has the right to amend any of the relevant database registration objects accordingly.

This warranty applies to:

- the declarations and other documentation specified in the schedule to this agreement;
- other documentation provided to IRINN by the Organisation at any time in connection with this request;
- all other statements and representations made by the Organisation or its representatives in connection with this request.

2. Indemnity and liability

- a. To the extent permitted by law, IRINN excludes all liability to the Organisation arising out of or in connection with this agreement, or the ongoing maintenance of the relevant database registration objects. This exclusion applies, without limitation, to all liability in contract or tort for actions or omissions of the IRINN and its employees, agents, and contractors.
- b. The Organisation indemnifies IRINN against the full amount of all expenses, losses, damages, and costs that the Organisation may incur as a result (directly or indirectly) of any actions taken by IRINN in accordance with the Organisation’s request.

3. Governing law

This agreement is governed by the laws of India.
